REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 5, 10 and 11 are among the claims objected to in the previous Office action. They are now rewritten in dependent form to include their respective allowable subject matters with that of claim 1, with those of claims 1 and 6, and with that of claim 1, respectively, i.e., the present claim 5 is the combination of previously presented claims 1 and 5; the present claim 10 is the combination of previously presented claims 1, 6 and 10; and the present claim 11 is the combination of previously presented claims 1 and 11. The updated search fails to produce better art for rejection of claims 5, 10 and 11. Therefore, they are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Loha Ben whose telephone number is (571) 272-2323. The examiner can normally be reached on M-SAT, generally between 12:00 noon to 8:00 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ricky Mack, can be reached on M-F, at (571) 272-2333. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
